## Find the misspelled word

Somewhere in this newsletter is a word that has been spelled incorrectly—on purpose. Be the first to call the office with the word and you will win 2 movie passes to our local theatres—Sierra Cinemas, Sutton Cinemas, or Del Oro. Better read carefully.

## Kevin's Rehab.

Kevin's total shoulder surgery was March 23. The doctor was very pleased with how well everything went. Everyone in the office is very willing to help him with HIS physical therapy and seem to take pleasure in seeing him on the receiving end of the torture, I mean treatment! It will take a few months to get total range of motion back but he is definitely doing much better and is very glad to have had the surgery.

He has also been able to create a website through Sutter General hospital and that link is:

<http://www.carepages.com/carepages/KevinIveyShoulder>

Feel free to browse the page and leave a message if you like.

## Summer time!

It seems summer goes by so fast and before we know it school will start again!! Take advantage of even the smallest amounts of time to make good memories with your kids.

## New Grandson!!!

Kevin and Donna are pleased to announce the arrival of their 4th grandchild. Jaxon Todd Woolf was born April 27, 2009. He was 8lbs. 10oz. Donna was able to be there for the delivery, and then stayed to help for a couple of weeks. Mom and baby are doing great!! Being a grandparent is wonderful.

## We understand

This is a very hard, stressful time for most of us concerning our finances with the economy the way it is. Please call us to set up a payment plan if that would be helpful for you.

Just a reminder that we are now accepting **credit cards** for co-pays, co-insurances, and therapeutic supplies. We hope this will make paying for services easier and more convenient. Please ask if you have any questions. We are currently set up to accept Visa, MasterCard, American Express, Discover, and debit cards.

## The Union!

Kevin was recently interviewed for his participation with the High School Athletes at Nevada Union and Bear River High Schools.
